PART – IV General Outlook

Most of the above services were provided on BOT basis (Build, Operate and Transfer) to the respective Companies

By which I train the people and create importance for Costing and make the management to feel the necessity for Costing Systems. It has given a support for the profession in addition to the benefit for the management.

In the course of my assignment I used to impress upon the staff that the importance of pursuing ICWAI Course and some people successfully qualified in ICWAI examination there by creating value for the own as well as company for the organisation.. Many are attempting to get qualified.

I have arranged job positions for those who worked with me with my client companies.

I am one of the founder members of Ranipet - Vellore Chapter of ICWAI and actively involved in all activities of the chapter and SIRC of ICWAI. Till today I continue to be a member of the managing committee of the chapter.
